Come join the Mechanical Contractors of Georgia & Local 72 as they open up their new 53,000sf training facility for their official Grand Opening. Tour the facility while observing the Local 72 Apprenticeship Contest and an recruitment event for secondary students and their parents. This program no longer wants to be referred to as the “The Best Kept Secret”. Come join on us Feb. 7th and help us the spread the word about the great opportunities in the Georgia’s Piping Industry!

All apprentices that attend are eligible for these opportunities, benefits, and more!

- No student debt after 5 years of training
- Learn a high demand skilled trade
- Progressive pay increases while in the program & earn 65K+ upon completion
- Be eligible for health & retirement benefits
- Earn college credits & work on major construction projects in metro Atlanta
- Receive the most advance Industry & safety training & job placement
